

METHOD AND SYSTEM FOR SUBMITTING MEDIA FOR NETWORK-BASED PURCHASE AND DISTRIBUTION

5

ABSTRACT OF THE DISCLOSURE

Methods and systems for submitting media to a media distribution site are disclosed. The submission of media to the media distribution site is able to be performed by numerous submitters in a uniform and computer-assisted manner. The submitted media can then be encoded in a largely automated manner at the media distribution site into a suitable digital form and then made available for online purchase and distribution.
